

Mike Bickle in Nürnberg Sept 6th 1992

Prophetic word concerning England and Germany, January 1990 and May 1988 by John Wimber and Paul Cain, Baltimore, conference

- John Wimber awoke suddenly from his sleep which never happened to him like this before– he knew that the Lord spoke to him. The Lord said: We must go to London right away.
- Prophetic team member: Saw John in an open vision in the morning (without knowing of John Wimber's experience) being in a deep sleep and saw an angel of the Lord awakening him from the sleep and I saw the word of the Lord being given to him in a powerful way telling him to go to London right away. The Lord has a purpose for Europe and he is going to touch London, but that is only the beginning of Gods strategy. I saw in the open vision a map of Europe and the Lord putting down His foot in London and the next step on Berlin. It was awesome to see how the Lord set His feet down in Europe. The dust arose as He sat His foot (symbol for humanity- we came from dust and return to dust). God is going to visit London and Berlin and it will cause the dust to be stirred in a powerful way. God has a purpose for these cities and these two nations that will stir the entire world. The glory of God will be revealed in these two cities and these two nations and God is going to raise up these two nations to give leadership to the world in the things of God. God was going to restore many things
 - Spiritual reformation
 - When the dust came up: humans in confusion, persecution and division: when the Lord puts His foot down there will be confusion, persecution and division against what He does. Many of us are believing for the glory of God to touch Germany. The devil will bring great resistance – the dust will rise when God sets His foot on Berlin.
 - Two very important cities – stand also for the nation
 - John doesn't receive words of direction a lot and he told nobody!
 - Paul Cain came in: John tells him the vision. Paul said: I just had a vision about London and Berlin.
 - About a week later: Leonard Ravenhill, Los Angeles: He had a dream that God would visit London and Berlin, that He has awesome things planned for Europe
 - Rick Joyner: He saw things about London and Berlin as well
 - The word of the Lord confirmed it everywhere we went
 - Americans seeing the will of God for Germany and England. There is no human reason to see the visitation of God anywhere else except for His glory
 - Stirred up the intercessors in the U.S.

- God chooses nations when He wants to. He chooses cities because He is sovereign and has the right to do so
- God gave understanding as to why this choice: For over 500 years God has caused GER and ENG to have role of leadership in many areas: cultural, math, science, spiritual, political...
- It is not because they are better, but He chooses according to His sovereign choice - Rom 9:15: according to God who has mercy
- God has confirmed over and over the destiny of GER to the prophets in the U.S.
- Some of you have no revelation of the destiny in this nation. If God gives a high calling to a nation, the devil will come with a very high deception against this nation. He will come with an attack against those nations
- God will cause greater dealings to prepare those nations for the glory of God, may increase before He is finished
- World leadership in the genetics of GER in many areas
- Before Jesus returns there will be a reformation sweeping the world that comes out of GER, out of unity of GER and ENG together in the Spirit of God
- The Lord said: it is very important that the spiritual fathers from GER and ENG are united for the sake of the move of God in the world. There has to be unity amongst the spiritual fathers of those nations. One of Satan's reasons for the WW's was that the devil wanted to separate the spiritual fathers in this hour from ever being unified. Satan has worked to create an irreconcilable division between the spiritual fathers of these nations
- He is causing and has caused for national bitterness and division to increase, because the Lord has the true purpose to cause unity- unity amongst the true fathers in the spirit, not political unity, but spiritual. Satan tries to divide the body of Christ especially in those two nations
- Great revival to sweep across GER
- Great and significant changes in one generation of Christianity across all of Europe and the whole world. Encounter of Mike Bickle in September 1982: God said in an audible voice "I will change the face of Christianity in one generation across the world". "I am going to change the understanding and expression of Christianity in one generation" Change the understanding of Christianity in one generation: the way the unbeliever understands the church right now is very negative. The world looks at the church and says it has no power, is self righteous and barren, lack of purity and holiness of heart, nations of the world mock the church in this hour, they don't take it serious at all in their own lives. God will change it in one generation. The world will see the power of God and tremble before the church. Kings

of the earth will either bow or fight it with all they got. When God restores the power to the church hundreds of thousands will follow it. Martyrdom will increase bc the world is threatened by the church. God will change the understanding in GER and all of Europe. It will happen in one generation! The zeal of God is kindled afresh for His Word right now over Europe. God promised an inheritance to His Son and He will have it!

- Understanding: how the unbeliever relates to church
- Expression: how the Christians relate to the church, the way we express our lives as community before God
- God will take the church out of mere Sunday meetings and make them a Bride that has relevance
- **Something more dramatic than even the reformation of the 1500s is going to come out of this nation! There will be the glory of God but there will also be great pain and confusion when it happens! The reformation will be in the lifestyle and how we live together It will be as radical as the first reformation when it is complete. God will do it very swiftly and powerfully**
- **Prepare for change! Change will come more radical than many can even understand**
- What God did in the early church will be surpassed by the end-time church! NT was just a seed, end-time will be full mature tree of what the early church was a seed. There will be no new doctrines, but in terms of quality and quantity it will surpass the early church
- **A great change is coming**
- Be sober
- There is a zeal burning in the heart of God over the nations
- **Change will bring great conflict. The church in Europe has never changed without great conflict in other arenas. Prepare for great conflict in the spirit and natural in the coming years**
- Spirit of unbelief has almost completely crippled the church. The Lord has zeal for the sake of His Son. It is a serious and glorious hour!
- God is preparing His people for something awesome. God is going to do something awesome in Europe and He is inviting you to participate in it
- He is going to change the expression of Christianity in one generation
- There are more people on earth now than in the whole history of mankind
- **1 billion saved. Europe is going to be the key for this thing. ENG and GER will give leadership in these things**
- May 1988 Paul Cain- 3 political revelations, all confirmed in different time frames – relates to what God is going to do in GER. Paul Cain came in the office and we spent a day together in KC, President Bush was running for president 1st term. Bush was out

fishing according to news – Paul gave him a prophetic political parable: the Lord said: “George Bush is not fishing, he is hunting for quail right now. But quail will be behind the bush.” (first revelation then interpretation)... it was literal, we thought it was symbolic. Then he said: “after that parable happens, something of greater value is going to happen: I saw the Lord give a death blow to communism around the world and in Europe. God will hit communism in the chest and knock it out. Many prophets saw that – that is not the point! It will going to happen very quickly. It will happen in the 1st year of George Bush being president. That is to build faith in a greater way than the 1st part. The 3rd part is the main point: something terrible is going to happen. It will look like communism is dead, but it is not at all! **There will be a marriage of Communism and Islam together. It will have a new form and a new name.** It will be horrendously evil what the enemy plans for Europe. It will affect all the nations of the earth in a very terrible way. **The church in Europe must wake up bc something is planned by Satan in some years that will be horrible and the church must prepare for the end-time events!** That is not the whole point: **God will raise up the church in Europe that will be greater than the plans of Satan.** The hour is more serious than the church in Europe understands. What happened in the 30's and 40's was just a dress rehearsal for what the enemy is planning to do! (Rick Joyner)

- **I believe that kings of the earth will come in unity. Europe will be the central spot of the conflict. There will be a reformation coming out of Germany that will be stronger than the plan of Satan. The saints of England and GER must join together! The Fathers must be in unity together bc of the great attack of Satan in maybe 10-20 yrs or so...**
- The greatest conflict is the conflict of the passion of the souls of man. God wants a church that is radical in love with Him, Satan wants a people passionate against Christ Jesus in Europe. Jn 17:26: the love that You have for me, let it be in them. That the church would love me like You do! The greatest promise is that we are filled with the same love that the Father has for Jesus! That is the greatest battlefield! The Father has committed the affections of the earth for His Son. The ends of the earth belong to God! Satan wants them for himself!
- Interpretation of the 1st prophetic word: Bush hunting for quail: 2 mths later: Bush appointed his vice-president with the name Dan Quail! He was a young man, unheard of in the political arena and scandal came against him and he had to hide behind George Bush and Bush protected him! The first parable was thus true! That was only to give faith for the next revelation. 2nd prophecy was fulfilled 18 months later:

- God has more to release through servants inside and outside of GER! KC has been praying for Berlin and GER for a couple years for revival
- We will be behind you and serving you
- This is a prophetic nation (Germany). God wants to birth the power of the prophetic in this nation through your own prophets! There is a great calling on ENG and GER in the heart of God from the beginning. Calling to world leadership in the things of the spirit. The things of the natural are just a picture for the spiritual things
- There is going to be a great reformation that is going to come out of these two nations that will sweep to the ends of the earth. It will combine deep accurate theology in the word of God with the release of the Holy Spirit in full measure yet with deep affection and passion for the Man Jesus Christ in His beauty. The deep theological teachings of the Word, the great release of the Spirit without measure and the great affectionate passion for the Son of God culminating at the end of the age coming out of ENG and GER together in unity
- Satan has already got the spirit of Communism and Islam together – he has a horrendous plan for Europe and some of it is going to take place and it will be terrible for many people. As Satan takes his last attempt to steal the inheritance of Jesus, but the zeal of God is kindled afresh over Europe and He says: I will not let you prevail! I will give the souls of 1 billion people to my Son.
- The church of GER and ENG will rise up and lead the nations of the earth into the fullness of His promises. Many changes are coming. Lay your life at the altar and give it all to God! God's only choice is to use weak people, so we are all invited! We are all fallen and weak and broken people!
- The passion for Jesus will be the greatest weapon against Satan!
